

ISA Grant Application Form  
for National Associations' Activities  
during the period 2023-2027  
First (of Three) Call

**Submission deadline: January 30, 2023, to isa@isa-sociology.org**

## NATURE OF GRANTS

**A. Website development grant:** to assist in establishing a functioning national association's website. Support for a substantial revision of a website is a low priority.

**B. Regional conference or cross-region workshop grant:** to provide funding for fostering dialogue across national borders in a region or for cross-region workshops. The conference or workshop proposal should clearly demonstrate how it would achieve the goal of cross-nation or cross-region dialogue, respectively.

## MAXIMUM OF ISA GRANT AVAILABLE

- A. for website development: Euro 380  
B. for the regional conference: Euro 2,300

## CRITERIA

- Each National Association (NA) can apply for a grant once between the two ISA World Congresses of Sociology; the deadline for applications is mid-January each year.
- A conference or workshop can only receive a grant from the ISA once.
- Grants are contingent upon payment of the ISA annual membership fee.
- A detailed proposal should accompany this application, answering all the questions under 7A and 7B.
- In order to qualify, a cross-regional workshop needs to include participants from different regions.
- NAs who received grants must provide a progress report for the next ISA National Association Liaison Committee meeting. These reports should have a maximum of 5 pages and cover the following items:
  - An overview of the nature of the sponsored activity
  - Details about the number of delegates who attended as well as their geographical distribution
  - Financial report
