Dear RC46 Members,

I hope all is going well for you. This is not an easy task for some of our members because of very difficult circumstances in their countries. Our thoughts today are particularly with our members from Ukraine and Nigeria.

RC46 Candidates for ISA Officers and the Executive Committee. We are so pleased that four of our RC46 members are candidates. Please see the brief article in this newsletter.

World Congress. This newsletter contains information from Tina Uys, our vice president for programs, about our Yokohama program. I want to thank Tina for the countless hours she has spent putting the program together and straightening out problems for RC46 members. We look forward to seeing everyone in Yokohama.

Archives. Someone has contacted me to ask if we have an archive or clinical sociology special collection. Do you have any information about an archive or special collection for clinical sociology, clinical sociology organizations or individual clinical sociologists? Also, if your organization/institution/library would be willing to host a clinical sociology special collection or archives, please let me know.

Clinical Sociology at the ASA. RC46 will host a session at the American Sociological Association annual meeting (August 16-19) this August in San Francisco. We will meet in the San Francisco (Union Square) Hilton Hotel in Continental Parlor 1 on August 18 (8-10 p.m.). Our featured speakers – RC46 member Maria Schmeekle with Brian Gran – will discuss “The Worldwide Outlook for Children: A Web Resource of Young People’s Wellbeing.” We also will discuss the world of clinical sociology. Everyone is invited to attend. Please let me know if you will join us in San Francisco. Thanks to Maryann Mason, the RC46 regional representative in the US, for arranging the session.

Membership. Harry Perlstadt, our secretary-treasurer, reports that we currently have 118 members which, he reminds us, is an increase of 9 since February.

Request for Information for the Newsletter. Please note that we will be publishing another newsletter very soon. It will include news from our members. If you have published an article, report or book in the last five months; changed jobs; or won an award, please send that information to me. (Make sure each publication reference is complete and submitted in Times New Roman 12.) I would be happy to include your information in the next newsletter. Your **information needs to be received by May 10, 2014** to be included in the next newsletter. I look forward to hearing from you.

### **RC46 Candidates for ISA Leadership Positions**

RC46 frequently has been well represented as leaders among ISA leaders. For instance, Tina Uys, an RC46 vice president, currently is ISA Vice President for National Associations and was previously on the Executive Committee for four years. Emma Porio, an RC46 vice president, and Jan Marie Fritz, RC46 president, are now completing four-year terms as ISA Executive Committee members. This is Emma's second term on the ISA Executive Committee and Jan is the past ISA Vice President for Finance and Membership. Abdul-Mumin Sa'ad, an RC46 board member, also is a past member of the ISA Executive Committee.

We are pleased to let you know that four RC46 members have been selected as candidates for offices and the executive committee (2014-2018). **Harry Perlstadt** (US), RC46 secretary-treasurer, and **Abdul-Mumin Sa'ad** (Nigeria), RC46 executive board member, are both candidates for ISA Vice President for Finance and Membership. (If Harry or Sa'ad loses in this three-way race, they can be candidates for the ISA Executive Committee.) RC46 member **Rosemary Barberet** (US), currently an ISA representative to the United Nations, is a candidate for the ISA Executive Committee as is RC46 member **Bandana Purkayastha** (US).

We wish them all the best of luck in their races. We can help them win by speaking to the voters – the official representatives (often the heads) of the national associations and research committees – about their qualifications.

News from Members

RC46's first book, *Community Intervention: Clinical Sociology Perspectives*, with contributions from some 12 RC members, is now in Springer's production process. The book, a volume in Springer's Clinical Sociology series, will be available this summer.

We are very pleased to announce that **Harry Perlstadt, RC46's secretary-treasurer, will receive the American Sociological Association's (ASA) 2014 Distinguished Career Award for the Practice of Sociology**. Harry is very well known in the field of sociological practice.

Harry, a long-time faculty member at Michigan State University, conducted evaluation research projects for international, federal and state agencies as well as private foundations. He has written about research ethics and the history of applied sociology; he also has a chapter on the healthy cities/communities movement in *Community Intervention*, the forthcoming RC46 book. Harry was a co-founder and head of the Commission for the Accreditation of Programs in Applied and Clinical Sociology; a chair of the ASA Sociological Practice Section; a Fulbright lecturer about American Health Policy and Politics; and a co-chair of the American Public Health Association Joint Policy Committee. Harry will receive this prestigious award this August at the ASA annual conference in San Francisco, California. (Previous RC46 recipients of this ASA award include Judith Blau and Jan Marie Fritz.)

**News from RC46 Vice-President Tina Uys about the RC46 Program at the World Congress**

Our programme for Yokohama has now been finalised. We look forward to an exciting event with interesting papers. Please note that our Business Meeting is now taking place in two parts, the one on Monday evening 14 July from 19:30-20:05 (as the first part of a paper session) and the second on Tuesday 15 July from 17:30-19:20. We would like to encourage you to attend both business meetings as important issues relevant to our RC’s activities for the next four years will be discussed. We also would like to draw your attention to our joint session with the Working Group on Human Rights which is taking place on Tuesday from 15:30-17:20 in another venue (311+312) and the Integrative Session organised by our RC taking place on Thursday 17 July from 12:30-13:50.

We are looking forward to seeing you all in Yokohama!
