From the Secretary

This newsletter contains primarily administrative news. First I can report that the statutes have been approved unanimously by our members. I'd like to thank all of you who participated. You'll find the new statutes on page 2 of this newsletter.

The World Congress is upcoming soon. You will find all the details you might need at:

<http://www.sociology2002.com/>

The next step every paper presenter will have to take is to submit his/her abstract to the conference bureau. You can do it either electronically or via postal service, in every case the abstract should arrive in Australia before the end of February.

My term as secretary is near its closing and the successor in office is designated. One important thing left for me is the administration of the election process for the next-term Presidents and the members of the Executive Council. Nominations for all positions were made and you will find the names of the candidates inside and the mail ballot on the last page of this newsletter. For your convenience I produced also an electronic version of the mail ballot, so you can vote either by mail or by e-mail. Please note however that you should return your vote before March 31, 2002.

Our next secretary will be Charles Crothers from Auckland University, New Zealand who agreed to assume this office. Many thanks to you, Charles, and good luck.

Those members who have to renew their membership are listed on page 9.

For all folks looking for old newsletters I could re-announce a new service: I put all the newsletter I edited since 1999 on my website for downloads. To make use of them one need the Acrobat Reader after the download to open the pdf format. You will find the files at

www-ang.kfunigraz.ac.at/~fleck (go to Texte).

New Statutes of RCHS, approved

I. Purpose

The RCHS was established by the International Sociological Association (ISA) in order to develop international contacts among scholars engaged in studying the history of sociology, to promote research in this field, and to encourage the international dissemination of such research. To this end the RCHS organizes international conferences and seminars, and publishes a Newsletter which is circulated to all members.

II. Membership

- (i) Membership in the RCHS is open to all scholars who have demonstrated their interest in the area through teaching and/or research activities.
- (ii) An individual becomes a member with full voting rights upon acceptance of his/her application by the Secretary of the RCHS and payment of dues.
- (iii) Dues, as determined by the Executive Council from time to time, are payable through ISA or to the Secretary of the RCHS by whatever alternative mechanism s/he specifies.

III. Meetings

The RCHS will organize conferences sessions and a business meeting on the occasion of the quadrennial World Congress of Sociology, and one or more other conferences in the intervals between World Congress.

IV. Governing Body

- (i) An Executive Council, consisting of a President, two Vice-Presidents, a Secretary, and 10 members, shall be the executive organ of the RCHS.
- (ii) The Executive Council shall be elected from and by the membership. Only those members who are also currently members of the ISA are eligible for election.
- (iii) The Secretary shall be responsible, in consultation with the President, for the routine administrative work of the RC, including the organisation of its conference programmes, the production of its newsletter and reporting to ISA, and shall also be responsible for its financial affairs. S/he shall make a general report and a report on the financial situation of the RC to each business meeting. Business meetings shall be chaired by the President if present, or by the Secretary. Interim conferences will have a local organiser who

will liaise with the Secretary to plan the meeting's activities.

V. Elections

- (i) Election of the Executive Council shall be by mail ballot conducted during the year preceding the World Congress.
- (ii) Ballots will be sent to the members on the Secretary's list of members in good standing.
- (iii) The candidate receiving the highest number of votes cast will be deemed elected to each office.
- (iv) An election shall be valid if more than one third of the membership votes.
- (v) The term of office shall be 4 years. The President and the Vice-Presidents shall not be eligible for re-election to the same office for the immediately succeeding term. The other members of the Executive Council may continue in office for a second term, if nominated and re-elected. After two consecutive terms of service, they are eligible to continue to serve in the Council only in the office of President and Vice-President. After a term without service in office, members are again eligible for election to any office.
- (vi) The Secretary will invite nominations, which may be self-nominations or nomination by another member in good standing; candidates nominated by other members must also indicate their consent to stand on the nomination form. All formally eligible members nominated shall be presented as candidates for election.

VI. Representation on the ISA Research Council

The President of the RCHS shall be the delegate to the Research Council, with the Secretary or, if s/he is not available, any other member of the EC as alternate.

VII. Revision of the Statutes

- (i) These Statutes may be submitted to the membership upon petition of twenty members to the President or a resolution of the Executive Council.
- (ii) Revision requires approval by a majority (51 per cent) of the whole membership in a mail ballot.

Dues Information

The basic RCHS subscription is US\$10 for one year, or \$30 for 4 years. For students, however, it is \$5 or \$15. This reduced rate also applies to others from non-OECD countries who would have difficulty in paying the full rate; if unable to arrange even the reduced rate, please write to the Secretary to explain the circumstances and ask for free membership. RCHS is a Research Committee of ISA, so RCHS members are expected to be ISA members.

There is also a facility for paying to the central ISA, which enables those who wish to do so to use a credit card; a copy of their form is on ISA's website

www.ucm.es/info/isa/formisa.htm, and it can be used even if you are not then also paying the ISA subscription - *though only if you are an ISA member*. Here - with apologies for the complexity, which our need to avoid our account's high foreign-exchange charges makes necessary - is how to pay if *not* doing so via the ISA.

Only people using a British bank account should send their dues to the past-

secretary, Professor Jennifer Platt; this can be done either by sending a cheque made out to „RCHS Platt“, or by direct transfer to Girobank account 12 574 8302. (The cheque should be in £ sterling, with the dollar amount translated into the equivalent at the tourist rate of exchange; at the time of writing, that is c. £6.08 or £18.24.) **All other members should send the money to the president of RCHS, Prof. Dirk Kaesler**, Universität Marburg, Institut für Soziologie, Ketzerbach 11, D 35037 Marburg, Germany, or, in continental Europe, to minimize bank charges use the Postal Giro Service: Postgiroamt München (BLZ 700 100 80), Account 822 22-809 Kaesler RCHS. He will inform the Secretary, so only one letter is required. **Please think at the same time of sending news of publications, meetings, work in progress etc., plus any address changes.**

Membership in the RCHS is open to anyone interested in the field. You become a member as soon as your application form and money have been received by the secretary.
