Changes of Address

Note from Newsletter Editor
Greetings from the President

In a few short months (July) we will be gathering together at the 2010 World Congress in Gothenburg, Sweden. I look forward to seeing you there helping to make our sessions, reception, and business meeting a successful and rewarding experience. Our Vice-President, Ellen Annandale, has organized an excellent program of RC 15 sessions on a variety of important research topics that should stimulate discussion and debate in the pleasant surroundings of a Swedish coastal city in summertime.

We should be able to continue the progress made at our two interim meetings in Montreal in 2008 and Jaipur in 2009 that attracted diverse participants from every continent. In Gothenburg, we will begin the process of organizing elections for a new steering committee and officers to guide RC 15’s activities over the next four years. It is therefore important that you come to Sweden, participate in our meetings and election, and consider assuming a leadership role yourself as a candidate as we move toward the future and the 2014 World Congress in Yokohama, Japan.

I look forward to seeing you in Gothenburg!

William C. Cockerham
ISA RC15 President
E-mail: wcocker@uab.edu
RC15 Sessions – FAQS

Q. *What is the distinction between a ‘presented’ and a ‘distributed’ paper?*
A: A ‘presented paper’ is an oral paper which is presented by the author(s) in the session. A ‘distributed paper’ is a written paper which the author(s) brings along to the session to distribute to those attending.

Q: *Is it possible that authors of ‘distributed papers’ will get an opportunity to give an oral ‘presented paper’?*
A: If an author of a presented paper drops out before the Congress or fails to show up at the Congress, it is possible that a distributed paper will be ‘promoted’ to a presented paper. The relevant session chairs will inform you directly if this happens.

Q: *Do I need to submit my abstract to ISA?*
A: Yes, the final deadline for electronic submission of abstracts of accepted papers to the Sociological Abstracts website is May 4th. [http://editweb101v.csa.com/socioabs/submit.php](http://editweb101v.csa.com/socioabs/submit.php) Only abstracts submitted to this website will be accepted.

Q: *When is the final registration deadline?*
A: The Final Registration deadline for participants is May 4th. Anyone who is not registered will have their papers removed from the program by ISA.

Q: *I have applied for a travel/accommodation, or registration grant, when will I hear?*
A: We expect the recipient names to appear on the ISA website towards the end of March.
Q: Do I need to submit a full paper?
A: ISA does not require you to submit a full paper. However you are encouraged to send an electronic copy of your full paper to your session chair by June 30th. There is no set word limit, but we would suggest no more than 5000 words. The session chair will then circulate the papers to all authors in the session in advance of the Congress. Please bring about 15 hard copies of your paper to the Congress if possible.

Q: How long do I have to present my paper (presented papers)?
A: Most sessions have 7 papers and each presenter will have between 10-15 minutes to present their papers. Your session chair will provide further guidance on the exact time that you have. Please contact them directly for information.

Q: Will there be Powerpoint facilities?
A: We expect so, but this is still to be confirmed by Congrex. We will let you know when we have firm information.

Q: Where/what room will my session be in?
A: We do not have this information at the moment, but will inform you if it becomes available before the Congress.

Q: Are there plans to publish the RC15 papers?
A: The individual session chairs will let you know of any publishing plans.

Q: Who should I contact if I have any questions about my paper?
Please make your session chair the first point of contact. You can also contact the Program Coordinator, Ellen Annandale eca7@le.ac.uk
IMPACT OF STIGMA ON HEALTH AND ACCESS TO HEALTHCARE 1
MONDAY JULY 12th: 15.30-17.30
Organisers and chairs: Cecilia Benoit and Mikael Jansson
University of Victoria, Canada
cbenoit@uvic.ca
mjansson@uvic.ca

Presented papers

Indiana University, USA; Columbia University, USA
‘A Disease like any other? A decade of change in public reactions to mental illness’

2. Monica Biradavolu, Elizabeth Reed, Kim M. Blankenship
Duke University, USA
‘Power, secrecy and stimage: challenging sex worker stigma in an HIV/AIDS prevention project’

## RC 15 World Congress planning timetable

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
</table>
| 4th May 2010       | **Registration deadline** for programme participants (sessions chairs, authors of presented and distributed papers, discussants), otherwise their names will not appear in the Programme Book and Abstracts will not be published.  

| 4th May 2010       | **Deadline of submission by authors of Abstracts** of accepted papers (presented and distributed) to Cambridge Sociological Abstracts  

  Abstracts are only accepted by the system from those who are already registered for the Congress |
| 1st June 2010      | Deadline for last minute changes to session programmes (by Programme Coordinator) |
| July 11-17th 2010  | World Congress, Gothenburg |

**RC15 Program Coordinator:** Ellen Annandale, E-mail: eca7@le.ac.uk  

Please note that the order of sessions on the ISA website does not reflect the actual order of the sessions, which are as provided in this Newsletter.  
Furthermore, it was necessary to make minor amendments to some paper titles due to the number of spaces for titles in the Congrex database.
Steering Committee Elections

The Research Committee will need to hold new elections this year. The present committee is:

*Bill Cockerham, President, USA, Email: wcocker@uab.edu
*Ellen Annandale, Vice President, UK, Email: eca7@leicester.ac.uk
*Robert Dingwall, Secretary-Treasurer, UK, Email: robert.dingwall@nottingham.ac.uk
Ivy Lynn Bourgeault, Canada, Email: Ivy.Bourgeault@uottawa.ca
Jonathan Gabe, UK, Email: Jpngabe2@aol.com
Leah Gilbert, South Africa, Email: Leah.Gilbert@wits.ac.za
Ishwar Modi, India, Email: iiiss2005modi@yahoo.co.in
Christopher Ntau, Botswana, Email: NTAUCH@mopipi.ub.bw
Newsletter Editor (ex officio), Ellen Kuhlmann, Germany/UK, Email: e.c.kuhlmann@bath.ac.uk

Members marked with a * are not eligible for re-election.

Four new members must be elected in 2010 to serve until the end of 2018. The outgoing committee will elect a president, vice-president and secretary/treasurer from among those members who will continue to serve until 2014.

Accordingly, members are now invited to put forward nominations for an election that will be conducted electronically after the World Congress – so that all members can participate. Nominations (including self-nominations) may be made to me at any time before the end of the Business Meeting on the afternoon of Friday 16 July in Gothenburg. In making nominations, members are encouraged to consider the desirability of promoting diversity in the membership of the Steering Board, to include, but not be restricted to, diversity in region of origin, language and gender. Anyone who is nominated must be a fully paid up current member of RC15 by the time the ballot is published. This will be checked against our records. Everyone who is nominated will be contacted to make sure they have agreed to stand and to invite them to prepare a brief personal statement which will be circulated with the ballot. The ballot will be conducted by email after the World Congress so that all members can have an opportunity to vote.

Since my university is in the process of making me redundant sometime around the end of June, it would be really helpful if people who would like to stand for election could let me know in the next 4-6 weeks so I can prepare a list to bring to Gothenburg. Of course, names can be added later, but there is bound to be some disruption as I set up a new private office and I would like to get the election under way as soon as possible after the World Congress so there is plenty of time for a smooth handover to the new officers and committee from 1 January 2011.

Robert Dingwall
Nottingham, UK
Robert.dingwall@nottingham.ac.uk
Sociology of Diagnosis: Negotiation, mediation and contingency
Special issue of Social Science & Medicine
Guest Editors: Annemarie Jutel and Sarah Nettleton

Social Science & Medicine is calling for papers for a Special Issue on the Sociology of Diagnosis to be guest edited by Annemarie Jutel and Sarah Nettleton. Papers may focus on diagnosis as classification or as process; on professional or lay-diagnosis; on the micro and macro levels of diagnosis; or on any other aspect of the social framing or consequences of diagnosis. This Special Issue will provide the opportunity to crystallise discussions and forge an innovative strand of work within the sociology of health and illness, and engage pertinent sociological questions such as:

1. What constitutes a diagnosis?
2. How is diagnosis negotiated within the clinic?
3. How do structural variables such as gender, ‘race,’ age, and class permeate the diagnostic process?
4. What are the social and experiential consequences of ‘expert’ and ‘lay’ diagnoses?
5. How do lay people identify and communicate diagnoses?
6. How, and/or to what extent, do market forces contribute to the fabrication and dissemination of a diagnostic category?
7. To what extent are diagnoses contested, challenged and or politicised?
8. What are the drivers and the consequences of innovations in diagnostic and predictive technologies?
9. Will diagnosis have a different place within the surveillance medicine of an increasingly risk-based social context?

The deadline for submission is 30th June 2010 and papers should be submitted here: http://ees.elsevier.com/ssm/. When asked to choose an Article Type, authors should stipulate “Special Issue Article”, and in the ‘Enter Comments’ box the title of the Special Issue should be inserted, plus any further acknowledgements. All submissions must meet the Social Science & Medicine guide for authors which can be found on the above website.

If you have any questions, please contact either Annemarie Jutel on ajutel@vodafone.co.nz or Sarah Nettleton on sjn2@york.ac.uk
The Palgrave Handbook of Gender and Healthcare

*edited by Ellen Kuhlmann and Ellen Annandale*

Palgrave Macmillan, Publication date: June 2010, Hardcover 120 GBP
Please visit the website for further information: [http://www.palgrave.com](http://www.palgrave.com)

This authoritative, state-of-the-art reference collection addresses the main issues and core debates related to gender and healthcare in one accessible volume. Mapping the field, and drawing together cutting-edge research on gender and healthcare, this essential guide to an area of increasing interest provides a critical overview of debates as well as practical guidance on how to bring gender perspectives to the heart of health policy, practice and research.

Providing an integrated and context-sensitive approach that focuses on men's and women's health, actor-centred and institutional approaches to healthcare as well as to the needs of service users and professionals this comprehensive and innovative overview examines both the developed and developing world and explores intersections between gender and a wide range of social inequalities.

Divided into five parts this programmatic survey covers
- Gendering healthcare and policy
- The social patterning of health by gender
- Equity and access to healthcare
- Gendering the organization and delivery of healthcare
- The professions as catalyst of gender-sensitive healthcare

Offering an impressive range of international world class expertise and insight each chapter includes a chapter summary and an overview of key reading making this Handbook an invaluable companion for a wide range of academics, researchers, practitioners and policy-makers.

A discount for ISA members will be available during the ISA World Congress in Gothenburg. Many of the 30 chapter authors are participating in RC15 sessions.
Invitation to the Second Biennial Bilingual Conference of the Canadian Society for the Sociology of Health

**When**

**Confirmed Key Note Speaker**

**Dr. Ellen Annandale of Leicester University**

Dr. Ellen Annandale’s extensive research background in the areas of gender & health, illness & health, the social organisation of medical and nursing work, division of labour, consumerism and trust have established her as an authority in the health policy field. She currently teaches at the University of Leicester in the Department of Sociology while also preparing the second edition of *The Sociology of Health and Medicine*. Currently, Dr. Annandale holds the positions of editor-in-chief for the *journal of Social Science & Medicine* and Vice-President of Research Committee 15 (Sociology of Health and Illness) of the International Sociological Association.
We strongly encourage you to rejoin RC15 and ISA when your membership is due for renewal and also to inform your colleagues about RC15 and ask them not only to join RC15, but also to join us in Göteborg 2010.

How to join ISA

Please visit the ISA website and register online. Dues USD 60 (USD 20 discount) for a 4 year period; https://secured.com/~f3641/formisa.htm.

Individual Membership

Open to scholars and professionals of sociological teaching, research or practice. At present there are 4,300 members from 167 countries. Benefits:

- Subscription to ISA journals Current Sociology and International Sociology.
- The Directory of Members.
- Reception of isagram, an electronic newsletter containing announcements of the forthcoming conferences, calls for papers and manuscripts, prizes, competitions, etc.
- Access to e-bulletin, ISA on-line publication.
- Access to SAGE Full-Text Collection which includes 31 journals with more than 12,500 articles.
- 35% discount on SAGE Publications books.
- Special subscription rates to journals offered by various publishers.
- A reduction in registration fees at ISA World Congress of Sociology.

All members may participate in the meetings of the ISA and its Research Committees, Working and Thematic Groups upon paying an affiliation fee.

To apply for membership, submit an

- electronic membership or renewal form
- membership form in pdf format [35 KB]

or write to ISA isa@isa-sociology.org, fax: 34-91352 4945
Changes of Address

If you change your email or postal address, please do not forget to let us know by contacting us by email or regular mail. Please contact:

Robert Dingwall
RC15 Secretary
E-mail: Robert.Dingwall@nottingham.ac.uk

Note from Newsletter Editor

The next Newsletter No 51 is scheduled for October 2010.

Your notices and Call for Papers of interest for RC15 members are, as usual, very welcome and must be sent as a word file (please note: no pdf files or email announcements!). Please send your information to the Newsletter Editor until 15 September 2010 at the latest:

Ellen Kuhlmann
E-mail: e.c.kuhlmann@bath.ac.uk
