### From Jan Marie Fritz, RC46 President

Dear RC46 Clinical Sociology Members,

Thank you to the many members who sent in abstracts for our meeting in Argentina. We are looking forward to seeing you in Buenos Aires. The RC46 Program Committee members – including Tina Uys, Emma Porio and Viviana Arbelo - are ready to help you with your participation.

This past month RC46 submitted an application to the ISA for some funding. Several of the board members were very helpful in the development of the application. We are able to submit an application once during a four-year period. While the amount of funds available from the ISA to a small RC is not very much, the money would help us a little with the conference and allow us to see if we can expand our website capacity. We will let you know if we do receive some funding.

The most recent membership list from the ISA indicates that we now have 79 members. (I understand that a few additional membership applications still are in process.) We would like to welcome our newest members: **Tetyana A. Basina** (Kharkiv, Ukraine), **Hans Petter Sand** (University of Agder in Kristiansand, Norway), **Aleksandr Serdyuk** (Kharkiv, Ukraine), **Johan A. Van Rooyen** (Middelburg, South Africa) and **Saeid Yarmohammadi** (Tehran, Iran). We look forward to working with you!

If one of our members has design talent, it would be nice to have a logo for the next newsletter. If you have some ideas or can provide a design or two, please get in touch with me. I also want to let you know that we are looking for a little translation help with sections of future newsletters. If you can help with English/Spanish or English/French translation, please let me know. Thanks.

Jan

## **Thank You to Members**

Many members helped with RC activities these past months. The board members who chaired or were members of one of our award committees were **Tina Uys, Robert Sévigny, Catherine Montgomery, Jan Marie Fritz, Vincent de Gaulejac, Norma Takeuti, Massimo Corsale, Emma Porio and Jenifer Cartland**. We are very appreciative that they took time to review and deliberate about the nominations. All members of the award committees are assessing the award descriptions, guidelines and processes so that we can improve how we do this next time. This was the first time that we offered awards, and we expected that changes would be suggested and will be made before our next nomination period. Our next awards will be in 2014 and presented at the World Congress in Tokyo.

We also wish to give a very big thanks to board member **Nicole Aubert** for taking on the challenging job of translating the award guidelines from English into French.

Thanks also to the Program Committee – **Emma Porio, Tina Uys, Viviana Arbelo and Patricia Guerrero Morales** – for the offers to help members who are participating in the 2012 meeting in Argentina.

And, finally, thanks to board members **John Cultiaux, André Suchet and Jan Marie Fritz** for reviewing the applications for ISA grants so that members get a little help to attend our RC46 meeting in Argentina. The review committee has to turn in its recommendations to the ISA by March 2. The ISA makes the final selection after checking, for instance, on membership status and that each applicant applied to only one group for funding. The ISA will be in contact with the applicants after its review.

## News from Regional Representatives

RC46 has four regional representatives. Their job is to let people know about both RC46 and clinical sociology as well as to find opportunities for our members. Two of the regional representatives sent in reports for this newsletter.

**Anastasia Valentine Rigas** is a full professor of social clinical psychology and methodology at the University of Crete (Greece). She is the editor of the forthcoming *Social Clinical Psychology and Creativity: The Psychology of Art and Literature Perspectives* from Gutenberg – Dardanos. Anastasia has encouraged colleagues in psychology to join RC46. Anastasia organized or participated with colleagues in many seminars and symposia in Greece in 2011. If you are interested in attending or taking part in a seminar, symposium or conference in Greece, please contact Anastasia at [ros\\_pana@yahoo.gr](mailto:ros_pana@yahoo.gr) for information about upcoming events.

**Maryann Mason** (US) writes that she is currently serving a three-year term on the board of the American Sociological Association's Section on Sociological Practice and Public Sociology. The Section will meet as part of the American Sociological Association's annual conference that will be held this year in Denver, Colorado from August 17-20. Maryann says that she assists in planning Section events such as a reception at the annual ASA meeting and issuing calls for paper submissions for several paper sessions. She says the Section has a listserv and a website where opportunities are posted that may be of interest to RC46 members (see <http://sspps.wordpress.com/>). Maryann is very open to putting together an informal gathering for RC46 members at the ASA annual meeting. Please contact Maryann if you are interested at [mmason@childrensmemorial.org](mailto:mmason@childrensmemorial.org)

If you would be interested in being a regional representative for RC46, please contact Jan Marie Fritz at [jan.fritz@uc.edu](mailto:jan.fritz@uc.edu)
