CALL FOR SESSIONS, ISA FORUM 2016, VIENNA/AUSTRIA

The Research Committee on Clinical Sociology (RC-46) will be organizing a total of 15 sessions at the 3rd ISA Forum 2016 in Vienna, Austria, 10-14 July. One of these sessions will be a business meeting devoted to discussion of RC46’s plans for the next congress in Toronto in 2018 as well as general developments of our research committee. This session will be organized by the 2016 Forum
Program Committee consisting of Tina Uys, RC46 President, Harry Perlstadt, RC46 Secretary and Mariam Seedat Khan, Vice President for Program.

Our 14 substantive sessions will be of four varieties: 2-3 Plenary sessions (ideally with some involvement from “community, civic and organizational leaders/activists” as well as section members); 6-7 panel sessions (each consisting of the presentation of 4-5 papers followed by discussion); 1-2 Authors meet Critics sessions (they can focus on 1 to 3 books); and 2-3 roundtable sessions (each consisting of 4-5 simultaneous roundtables with 3 to 4 presenters at each roundtable in addition to a moderator). The final distribution across the four types will depend on the number of proposals received for each type.

RC46 members are also invited to propose joint sessions together with colleagues from other ISA research committees.

All substantive sessions should connect RC-46’s focus on Clinical Sociology with the general theme of the Forum ‘The Futures We Want: Global Sociology and the Struggles for a Better World’. Considering that clinical sociologists are key in developing better futures, this ISA Forum is an ideal location for discussing themes at the heart of Clinical Sociology.

Proposals of up to 250 words for plenary sessions, Panel sessions, Authors meet Critics sessions and Roundtables should be submitted on-line at http://www.isa-sociology.org/forum-2016/rc/rc.php?n=RC46 by no later than Friday, 15 March 2015.

Based on proposals received, the 2016 Forum Program Committee will construct the program. As soon as the topics for the substantive sessions have been selected, a call for papers and roundtable presentations will be sent out via the RC-46 and ISA Websites.

Invitation to attend the ISA session in New York City on March 12, 2015

RC46 members living or visiting the New York area are invited to attend the ISA parallel session held in conjunction with the meeting of the UN’s Commission on the Status of Women (CSW). The Beijing Platform for Action covered 12 critical areas of concern. This International Sociological Association (ISA) session will discuss three of the areas – institutional mechanisms, human rights and armed conflict. The organizer and moderator of the session is Jan Marie Fritz. The featured speaker will be Ambassador Anwarul Chowdhury, former Under-Secretary General and High Representative of the UN, discussing “UNSCR 1325: Absence of National Plans Delays Implementation.” Also speaking will be Sameena Nazir, President of Women’s International League for Peace and Freedom – Pakistan. She will discuss “Militarism, Extremism and Women’s Human Rights.” The final speakers are Rosemary Barberet and Susan Kang (John Jay College of Criminal Justice) with their graduate students. They will discuss “Women and Security Sector Reform: Best Practices to Increase Women in Criminal Justice Professions in Post-Conflict and Post-Transition States.” This ISA session is co-sponsored by WILPF (Women’s International League for Peace and Freedom), our RC46 and Criminologists without Borders.
The CSW and parallel events will be held from March 9-20. They will be attended by representatives of Member States, UN organizations and ECOSOC/DPI accredited non-governmental organizations (NGOs) from all over the world. The ISA parallel session and other parallel events (not held on the UN grounds) are open to the public. RC46 members will not need any special credentials to attend the ISA session. Please note that the ISA is unfortunately not able to support visa applications to come to the US and attend this session.
