REMEMBER!

- **August 05 - October 15, 2024 - 24:00 UTC/GMT Abstracts Submission**

Participants and organizers of invited sessions **must submit abstracts online via the Confex platform in English, French, or Spanish**. Only abstracts submitted online will be considered in the selection process.

- **October 15 - November 10, 2024 - 24:00 UTC/GMT Abstracts Selection**

The Session Organizer must complete the selection of abstracts and provide a final presentation designation (oral, distributed, poster, round table). Session Organizers move good-quality abstracts unsuited for their sessions to the Program Coordinator's bin for transfer to another session.

Note: Abstract transfers should be made to the Program Coordinator's bin as early as possible so that good abstracts may be transferred to other appropriate sessions. This will enable organizers to consider these transferred abstracts and make decisions within the deadlines.

Session Organizers add chairs, co-chairs, discussants, and panelists to their sessions as needed.
