ISA Grant Application Form for Research Committees' Activities during the period 2023-2027

Second (of Three) Call

Submission deadline: January 30, 2025, to isa@isa-sociology.org

NATURE OF GRANTS

The grants will be allocated to the Research Committees to support activities, such as conferences, workshops, and the production and distribution of their newsletter (printed and/or electronic).

MAXIMUM OF ISA GRANT AVAILABLE

Grants will be allocated according to the following scale and based on RC membership as of October of the Congress/Forum year:

Number of ISA members as of October of the Congress / Forum Year			
Members	**Amount in Euros**	**Members**	**Amount in Euros**
250 & above	1960 €	125-149	1260 €
225-249	1820 €	100-124	1120 €
200-224	1680 €	75-99	980 €
175-199	1540 €	50-74	840 €
150-174	1400 €	***	***

Grants will be paid in two installments: upon approval and upon receiving a final report.

CRITERIA

Every Research Committee in good standing is entitled to apply for a grant once between the two World Congresses, which implies the following conditions:

1) The Research Committee must send its members and the ISA Secretariat at least two newsletters annually (printed or electronic).
2) The Research Committee must send a detailed report of its activities to the ISA Secretariat when requested.
3) The Research Committee must organize at least one international conference between World Congresses where all its members can participate [including ISA Forum]. The theme must be sufficiently general to attract most of the members and not related only to the interests of a small group of individuals.
4) The Research Committee must hold regular and transparent elections of its Board.
5) The Research Committee must have its membership fees. The current minimum fee set by the ISA Executive Committee is a US$10 discount fee for a 4-year period.
6) The Research Committee must submit a short proposal to support its grant application and must send a report at the end of the period for which the grant was allocated.
