

PRE-EVENT

5th FORUM ISA

KNOWING JUSTICE IN THE ANTHROPOCENE

AN INTERNATIONAL MEETING TO PROMOTE FUTURE STUDIES AROUND THE SOCIOCULTURAL-ECOLOGICAL RELATIONSHIP, WITH EMBODIMENT AND EMOTION AS COMMON GROUND IN THE CURRENT HUMAN-NATURE DISJUNCTIVE PROPOSITION.

ANY AND ALL JUSTICE HAS IN ITSELF THE ACTION OF THE BODY AS NATURE AND ITS EMOTIONS AS A SENSORIAL FACT THAT PRODUCES, REPRODUCES, REVERBERATES, AND RESONATES SOCIOCULTURAL CONSTRUCTIONS INDISSOCIABLE FROM THE ECOLOGY IN WHICH IT LIVES.
