## **RC-13 President's Message**

Greeting from India & Sukant Chaudhury, I am glad to report to you, the ISA RC-13, Sociology of Leisure, for unavoidable reasons the newsletter of RC 13 could not be published. In 2018, XIX ISA World Congress of Sociology, I was elected as a president. However, some esteemed members created a debate on the justifiability of the elections. After a few weeks the Vice President of research, Geoffrey Pleyer, examined the issue and approved the election result.

We organised an international Mid-Term Conference on behalf of ISA that is the International Conference on Leisure and Social Development in the Post-Modern Era: Contemporary Issues and Challenges. It was held in the Department of Sociology, Lucknow University, Lucknow, India on behalf of ISA collaborated by EFCS without any financial responsibility. The Conference was attended by about 329 delegates including 4 foreign delegates. 8 plenary sessions had 15 distinguished speakers and 8 technical sessions were held with about 156 presentations. The inaugural session was presided over by Sri G.Pattnaik, Keynote address was given by Prof. Kenneth Roberts of University of Liverpool, U.K. and the Guest of Honor was Prof. Manoj Dixit, Vice Chancellor, RML Faizabad University, India. The Valedictory address was delivered by Prof. Francis Lobo of Edith Cowan University, Perth, Australia.

Further we also organised an International workshop on Sociology of Leisure and Happiness in the Contemporary World on 17<sup>th</sup> February, 2020 on behalf of RC 13, ISA Prof. Alan Law, University of Trent was the Key Speaker.

Then the IV ISA Forum of Sociology, Porto Alegre, Brazil, 23-28 Feb 2021, was held online because of the Covid-19 pandemic. There were about 50 presentations online by the members of different countries and I was the coordinator.

In XX ISA World Congress of Sociology, held at Melbourne, Australia, 25th June 2023 to 1st July 2023. There were about 43 presentations by the members of different countries and I was the coordinator. Besides, there was a presidential session on 'Leisure during the Period of Pandemic and Resurgent Authoritarianism' where three panelists presented their views. In the Business meeting I was elected as the President and other distinguished members were elected to different positions. However, the election was canceled by ISA citing lack of quorum, then the ISA conducted an online election in 2024, and I was elected as the president.

The 5th ISA Forum of Sociology held at Rabat, Morocco. We had about 30 presentations, and I was the coordinator.

The XXI ISA World Congress of Sociology will be held from July 4-10, 2027, at Gwangju, South Korea. I appeal to all members to contribute your research work in the forthcoming Congress.

Dear friends, it has been a great pleasure working for the RC-13, in the past 7 years, for this position I was invited by several fora, to present my views, as keynote speaker. However, there is one disappointing note: RC-13 membership is not improving and we are

lacking inclusivity in the RC-13 board. I again appeal to all of you to forget all the differences and proceed through constructive arguments.

President  
Sukant K. CHAUDHURY,
