

**Assist with the Development  
of a UN Convention on the Rights of Older Persons**

As you may know, the ISA is a member of the Global Alliance for the Rights of Older People. We encourage ISA members to participate in the Global Alliance activities to encourage the development of a UN Convention for the Rights of Older Persons.

1. **Regularly check the Global Alliance website** (<https://rightsofolderpeople.org/>) for information about the Alliance's current activities and progress reports regarding the development of a draft convention by the working group in the UN Human Rights Council.
2. **Contact your government.** National governments will have to eventually agree (or not) to a draft UN Convention on the Rights of Older Persons. Look for ways to encourage your government to be an early advocate in this process. If you are an ISA member and are starting to do this or are already involved, please let Jan Marie Fritz ([jan.fritz@uc.edu](mailto:jan.fritz@uc.edu)) know about what you are doing.
